Class Descriptions

All classes meet on Saturdays at 9:00, 9:45, 10:30, 11:15, 12:00-noon and 12:45 p.m.

Ten-week sessions begin
September 15, January 5, and March 16.

MusicTIME

A unique program for infants and toddlers (ages 4 months to 2 years) and their parents/caregivers. MusicTIME features musical activities that include songs, rhymes, bounces, tickles, moving to music, and listening. Information and guidance on musical development in young children and home-based activities is also provided. (\$136)

Music Times Two

A continuation of the objectives of MusicTIME for parents/caregivers and children (ages 2 to 3½-years). Children develop rhythmic and vocal skills as they engage in more independent music making activities that include: singing, movement, and playing instruments. (\$136)

Music Makers

Designed for 3½- and 4-year-old children without parental participation in the classes. Skills in singing, listening, and musical vocabulary are emphasized, with opportunities to play classroom percussion instruments. Visiting musicians demonstrate instruments throughout the session. (\$136)

Clef Club

This fourth level of the early childhood music program is intended for children who are enrolled in kindergarten or first grade or who are 5-6 years old. The class focuses on individual musical skills and includes singing, rhythmic activities, moving to music, musical concepts, musical games, and playing small percussion instruments. Children will begin foundational activities in reading and writing music. (\$136)

Registration Information

Spaces in our classes are assigned on a first-come, first-served basis at the beginning of each school year. The registration form is on page four of this brochure. Complete the registration form, detach and return it either by mail to **Eastman Community Music School, Eastman School of Music, 26 Gibbs Street, Rochester, NY 14604, fax 585-274-1005, or in person to the Community Music School Office on the 3rd floor of 10 Gibbs Street.** Registration is not possible by phone. Please do not include payment with your form. We will bill you.

Classes are formed based on enrollment and are in a state of flux until one week before a session begins. You will receive notification of your class time and room location one week before a session begins. Notification is sent via email. Because we have a limited number of spaces in our classes, please understand that once a student has been enrolled, **we are unable to give any refunds.**

For University of Rochester Employees*:

After one year of full-time service or two years of part-time service, regular full-time faculty and regular full-time or part-time staff are eligible for a 25% reduction in charges for musical instruction through the Eastman Community Music School. To receive the discount, complete a tuition waiver form from the **Benefits Office** and return it to that office (tuition waivers are good for one year from July 1-June 30). The discounted tuition is \$102.

***Strong Memorial Hospital Residents and Fellows and Departmental Fellows** are not eligible for the reduction in charges for musical instruction through the Eastman Community Music School.

FAQ's about the Program

How long is each session? Each session is 10 weeks .

How do I register? See the registration information on page two of this brochure.

What is your re-registration policy? Priority registration for the Winter and Spring Sessions is offered to children who participate in the previous session. Enrolled students who wish to re-register for the next session must do by week eight of their current session in order to be guaranteed a place in class. (See Early Childhood Dates to Remember below.)

My child will not be attending the fall session. When can I register for the winter or spring sessions? Families may submit a registration form for any session at any time. Forms are dated when we receive them. Students will be enrolled in open spaces in the order we receive the registration forms.

I have 2 children who are at different levels. Will I be able to get the same class time for both of them? We do our best to schedule siblings at the same class time. It is, however, sometimes difficult to do if there are fewer class times offered for one level than another. In cases of late registration or class overload, parents may be asked to bring siblings at different class times

If we have a conflict with the class time one week, are we able to come to a different time? We do not encourage switching class times as this could lead to overcrowding, and inconsistency in class attendance; however, your class teacher may make exception if yours is a one-time request.

I have twins. What is the policy for parental attendance in the MusicTIME and Music Times Two classes? In an effort to foster adult/child interaction, the twins (or siblings in the same age range) enrolled in MusicTIME or Music Times Two, need an adult/child ratio of 1:1. Adults accompanying children to class can be parents, guardians, family members, or caretakers.

Are there make-up classes in case of bad weather? There are no make-up classes for missed classes.

This is my child's first time to attend your program. What should I consider when deciding which level to choose? Consider the past experience and developmental level of your child. For example, a Music Times Two class is usually the best placement for a 3 1/2-year old child if this is his/her first introduction to the early childhood music program; children participate with their parents at this class level. Children enrolled in Music Makers classes participate without their parents. A strong sense of independence is helpful, as the children take turns and interact with their peers in a more structured setting. Children who are not quite 5-years old but who are enrolled in kindergarten may attend Clef Club. Children who turn 5-years old in the spring may be more comfortable attending a Music Makers class. We are happy to help you determine correct placement.

To whom do I direct my questions or concerns about the Early Childhood Music program? Patricia Gingras, the program coordinator, can be reached by phone at 388-7957, or by email at pgingras@u.rochester.edu.
