EASTMAN SCHOOL OF MUSIC
UNIVERSITY *of* ROCHESTER

Catherine Filene Shouse Arts Leadership Program

To any ALP Winds/Brass/Percussion undergraduate student:

Applied Music majors in Winds, Brass and Percussion have 8 credits in "Practical and Creative Musicianship Electives" as a Departmental Requirement for their degree. **Arts Leadership courses may be chosen to fulfill these elective credits as long as they have not been used to fulfill the requirements for their ALP certificate.**

Other courses that may be chosen to fulfill these credits are listed on the Eastman Registrar website in the section on Undergraduate Academic Policy and Curriculum (see Note 8), available at:

<http://www.esm.rochester.edu/registrar/policy/ugrad.php#FN8>

What this means is that 6 credits of your ALP certificate requirements cannot double count as "Practical and Creative Musicianship Electives."

If you have any questions, please see your academic advisor, the Registrar's office, or the Assistant Director of the Arts Leadership Program for additional assistance.
