Have you worked with an intern before? When? What type of internship?

I've had ALP Interns for years, with great success.

Why do you want to work with an intern now?

Interns help lift my considerable load, and--if we're lucky--we can find the next great air talent. If not, I've had the pleasure of sharing the presentation of music from the media side of things, which can really help up-and-coming performers and composers clarify future decisions in music careers.

POSITION DESCRIPTION:

Please complete and attach an “Internship Job Description” form for each internship.
