Minimum semester hours for Musical Arts major: 120

[1] The large ensemble requirement is based upon requirements for the student's original major. The requirement remains the same as the original major, except in cases where 8 semesters were required. With approval of their studio teachers, these MUA majors may petition the MUA Supervisory Committee to take only 7 semesters of large ensemble if it allows a significant enhancement of their MUA program of study.

[2] This 4 credit elective requirement may be used to enhance the student's concentration, and should be chosen in consultation with the MUA advisor.

[3] In addition to FWS 121, the MUA majors must take at least 24 credits of humanities/science courses and 3 credits of 200-level music academic elective courses. They must choose an additional 3 credits of coursework in one of these two areas. MUA students will design a concentration of at least 12 credits, approved by the MUA Supervisory Committee, to be drawn from these elective courses.

[4] With approval of their studio teachers, MUA majors may petition to take only 7 semesters of primary lessons if their MUA program of study necessitates a semester out-of-residence (e.g. internship, study abroad). However, the senior recital must take place during the last semester of lessons at Eastman. All students will present a full senior recital, with requirements based upon the student's major instrument.

[5] One semester of study may be out of residence (e.g.: internship, study abroad, etc.). Any academic courses not completed at ESM must be pre-approved by the appropriate department chair.

[6] Senior Project: 6 credits over two semesters.

**Ensemble and Chamber Music requirements are based on matriculation into the BM-MUA at the beginning of the junior year after completing two years of study in another BM major*

Complete information on all Eastman School of Music degree programs appears on the web at www.esm.rochester.edu/registrar

Important things to remember:

Variations from the prescribed program of study should be approved in advance by the appropriate Eastman department and appropriate documentation must be on file in the Registrar's office.

Bachelor of Music students must complete **eight semesters of full-time** college-level study earning no fewer than **120 credits**. Students must be registered for 12 credits each semester to be considered full-time. Students who earn advanced standing in any subject must complete an equivalent number of optional elective credits toward their required total degree credits.

Upon receipt of an official transcript, a maximum of six college level credits with a grade of C or better (B- or better for Humanities courses) may be used as **transfer credit** after matriculation.

All Bachelor of Music students must complete FWS 121 plus 21 additional credits of Humanities & Sciences courses of at least 3 credits each. Any course over 4 credits must be approved by the Humanities Department Chair. In some majors (voice and theory), required language classes count toward this requirement.
