

ECMS Exam and Jury Week Student Instructions

Hello! Another year has almost come and gone, but before the semester ends, we have one more task to complete: ECMS Exams and Juries! At this point, you and your teacher should have determined if you will be participating in exams or juries this year. If you are, we would like to provide you with some instructions and what to expect:

All exams and juries will be in-person, unless you are a World Campus student or you have previously discussed an pre-recorded option with your teacher.

- For In-Person Exams and Juries
 - If you have not yet signed up for an exam or jury, please contact your teacher immediately to do so.
 - Exam and jury week will be held from May 23rd – May 28th at various times, so please check the Exam and Jury Week Schedule below for to view the location of your exam or jury.
 - Please arrive at least 10 minutes early to your exam/jury to allow time to find the room, warm-up, and/or to organize repertoire.
- For pre-recorded Exams and Juries
 - You will need to upload your recording to YouTube, and then submit the link to your video [here](#). **In your video, make sure to state your name and what you'll be playing, including any scales, excerpts, and repertoire.** Please follow this [link for instructions](#) on how to upload your video.
 - The deadline to upload your video and submit the link is Monday, May 22nd by 11:59 p.m.
 - For tips about filming on your phone or laptop, check out [this video](#) from the University of Rochester.
