<sup>3</sup> Students with a non-jazz background should work with their advisor on appropriate coursework to satisfy the combination of ensemble and elective units. Students placed into large ensemble will take two semesters of ensemble for 0-2 units. Classically trained pianists should take either KBD 450: Jazz Piano Harmonization or KBD451: Jazz Piano Improvisation for a total of 2 units.

<sup>4</sup> Audio and Music Engineering courses (AME) are offered through the River Campus at the University of Rochester. Student may replace AME 460 with an equivalent music technology course upon successful completion of a placement examination.

<sup>5</sup> The student, in consultation with the advisor, will choose 2 additional hours of coursework depending on his/her background, needs, and interests. At least two hours of elective coursework must be from outside the JCM department. Elective courses must be numbered 200 or higher. Arts Leadership (ALC) courses do not count towards the required units for the degree. Neither primary nor secondary lessons may be used as elective credit. Electives may include courses in music theory, composition, arranging, or other topics, as determined in consultation with the advisor.

<sup>6</sup> MHS 435: Concert Repertoire may also be counted as an elective.

<sup>7</sup> Normally two years will be needed to complete the coursework. Candidates will take a jury (jazz) during the first graduate year. The graduation recital in the spring semester of the second year will include performance of written and improvised music that is determined by the student under the guidance of JCM faculty.

<sup>8</sup> The candidate will complete a contemporary media project that in the end will result in a CD, video, website, CD ROM or some other media related product that demonstrates the student's talents and abilities, and could serve to help launch his/her career.
