³ Specific course(s) may be required or recommended to fulfill this requirement based on placement exam.

⁴ TH 400 (Analytical Techniques) – Masters Students whose BM degrees were earned at Eastman are advised to take TH 401 rather than 400 for their masters’ theory requirement unless they place into the 117-118 sequence. If they are required to take TH 117-118, then they should take TH 400 after successful completion of TH 118.

⁵ All MM PRL candidates in strings and in winds, brass, and percussion must enroll for two semesters of ensemble during the first two semesters of their study at Eastman. Students who wish to participate for more than two semesters may register to participate in large ensembles for no unit and no charge. See section 06.01.02 (Ensemble Participation) for more information.

⁶ Elective courses must be numbered 200 or higher. Arts Leadership (ALC) courses do not count towards the required units for the degree. The total number of ensembles and/or chamber music units counted toward the degree may not exceed four (4). This restriction includes all ENS and CHB courses, required or elective, with the exception of repertoire courses (CHB 401, 403, ENS 450, 451 or 452). Electives may include no more than six (6) units of non-music courses. Neither primary nor secondary lessons may be used as elective credit.

⁷ MHS 435: Concert Repertoire may also be counted as an elective.
