2023 – 2024 Academic Year Revised March 2023

Music Education – Vocal & Revised Applied Music - Voice Double Major

Important things to remember:

Variations from the prescribed program of study should be approved in advance by the appropriate Eastman department and appropriate documentation must be on file in the Registrar's office.

Bachelor of Music students must complete **eight semesters of full-time**, college-level study earning no fewer than **120 units**. Students must be registered for 12 units each semester to be considered full-time. Students who earn advanced standing in any subject must complete an equivalent number of optional elective units toward their required total degree units.

Upon receipt of an official transcript, a maximum of two college-level courses up to 8 units with a grade of B- or better may be used as **transfer unit** after matriculation.

All Bachelor of Music students must complete FWS 121 plus 20 additional units of Humanities & Sciences courses of at least 4 units each. Any course over 4 units must be approved by the Humanities Department Chair. In some majors (voice and theory), required language classes count toward this requirement.

- ¹ Satisfactory completion of 3 years of piano study or the PCL 106 examination
- ² MEV/AMU Voice double majors are only required to take 6 semesters of large ensemble.
- ³ These opera courses must be completed in the following order: OP 221, OP 222, OP 223, OP 224
- ⁴ Students must register for a total of 6 Opera Theatre Practicum units during their time at Eastman: either 2 semesters of OP 230 or 1 semester of OP 230 and 1 semester of OP 232.
- ⁵ 2nd semester seniors may register for OP 232: ESM Opera Theatre Practicum (Scenes) only if they require the additional units to fulfill their 6-unit opera practicum requirement. Students who have already completed 2 semesters of OP 230 may not register for OP 232.
- ⁶ The student must enroll for 24 total units in Humanities/Sciences, including first-year writing seminar. See the Academic Policy Handbook for details.
- ⁷ Students must pass IT 101, IT 102, and IT 115 before they will be permitted to register for German or French language classes.
- ⁸ The AMU-Voice major requires 3 years of language study with 1 year each for Italian, German, and French. Prior study through a language placement exam may be accepted but no credits will be awarded. The MEV major requires two courses in psychology, PSY 111 and 112. The Humanities/Sciences requirement for Eastman a degree is 24 units and students in all majors must meet this minimum requirement.
- 9 Students who place into TH 100/105 will start the theory sequence in fall of their first year and are not required to take TH 230. Students who place into TH 110/115 begin the theory sequence in the spring of their first year and will continue through TH 230.
- ¹⁰ Music History classes do not need to be taken in chronological order. Students may begin to take MHS 12X starting their sophomore year. Students must complete MHS 121, 122, and 123 before enrolling in a 200-level MHS course.
- ¹¹ Choose JCM 201 or 202, resulting in 2 units.
- 12 The JCM and CMP courses in combination for the MEV/AMU Voice double major replaces the 200-level TH or MHS elective requirement.
- $^{\rm 13}$ Choose MTL 217 \boldsymbol{or} MTL 218, resulting in 2 units.
- ¹⁴ Students are required to take 3 of the following instrument classes: MTL 221, 225, 231, 232, or 255 for a minimum of 3 units.
- ¹⁵ MEV/AMU Voice double majors are typically expected to apply for the FORTE program to complete their degree requirements in 9 semesters, with the 9th semester only for student teaching. Students must complete all other degree requirements prior to the student teaching semester. In some circumstances, a student may have placed out of certain degree requirements and can therefore complete all degree requirements within 8 semesters, including their student teaching.
