- Student checks out of hotel and is transported along with their belongs to the testing site.

Rapid Test
- Student is not able to get tested in their home state OR they are not able to provide proof they have received a test upon arrival.

- When a test is needed,
  - Student would order it through Vault Health and have the kit sent to them.
  - Student would self-administer the test (a saliva test) supervised by the vendor over Zoom.
  - Student would return the sample to Vault using the instructions in the kit.
  - Vault will provide a shareable result within 48-72 hours.

- Student moves to UHS for PCR Test and moves to Whipple Park while awaiting results.

- Student takes an at-home saliva test mailed to them from Vault Health.

- Student is able to obtain a test locally and is able to arrive in Rochester with proof the test has been taken (results of the test are not necessary only proof the test has occurred). Proof of test can be uploaded to UHA secure portal at https://uhsconnect.ur.rochester.edu/
