Biographical Sketch

Robert Joseph Chabora (1 December 1946—19 September 2015) was a classical pianist and professor of music. He received degrees from Montclair State College (now University; BA, 1971) and Indiana University (MM, 1974), finishing with a DMA from the University of Kentucky (1988). A passionate teacher, Chabora began his career in the New Jersey public schools before pursuing a career in higher education. In the course of his active teaching career, Chabora served on the faculty of the University of Maine at Fort Kent as a professor of piano (1984-1997), receiving a citation for Outstanding Faculty Achievement in 1990. He also taught as a visiting professor at Kentucky State University (1980), Berea College (1977-79; 1987-88), Michigan State University (1991-92), and the University of Toledo (1994-95). Following three years as an Associate Dean at Millersville University of Pennsylvania (1997-2000), Chabora ended his career at Concordia College in Moorhead, MN, where he served as professor and chair of the department of music from 2000-2012. He retired to Raymond, Maine, where he continued teaching, both in his private piano studio and also as a general music teacher and choir director in the middle schools in the Windham-Raymond School District.

In addition to his work as a professor and teacher, Chabora pursued an extended, in-depth study of the American concert pianist Malcolm Frager (1935-1991), producing a documentary film on his life (Malcolm Frager: American Pianist, 2016) and authoring a comprehensive biography (Search and Celebration: The Life and Art of Malcolm Frager, 2017), both of which were released posthumously. Chabora’s interest in music was complemented by his love of architecture, the visual arts, theater, the humanities, and literature. He passed away on 19 September 2015 at his home in Raymond, Maine.

Provenance

The collection was the gift jointly of Robert Chabora’s widow, Dr. Pamela C. Chabora, and her son, Dr. Ethan Chabora. It was received by the Sibley Music Library in September, 2016.

Scope and Content

The collection is comprised of Robert Chabora’s professional papers—documents and audio-visual material alike—pertaining to his extensive research into Malcolm Frager’s life and performing career. Noteworthy inclusions are a near-comprehensive collection of Malcolm
Frager’s recordings and radio broadcasts, as well as audio recordings and transcripts of dozens of interviews Chabora performed with Frager’s family, colleagues, and friends. In addition, the collection preserves Chabora’s working papers, including drafts of Chabora’s biography of Malcolm Frager, film and audio for the documentary *Malcolm Frager: American Pianist*; and professional papers related to Chabora’s publication of his biography of Frager.

**Restrictions**

There are no restrictions on the use of the materials of the Robert Chabora Collection. Reproduction of its contents, however, will be provided to patrons only in accordance with the provisions of the United States Copyright Law (1976) and its revisions.

**Associations**

The Robert J. Chabora Collection complements the Malcolm Frager Collection in documenting the life and career of the American pianist.
DESCRIPTION OF SERIES

The collection has been arranged in five major series: personal and professional papers, scholarly publications, audio-visual materials, digital storage devices, and oversized items. These series are subdivided as described below.

Series 1: Personal and Professional Papers

This series is comprised of a variety of documents that chronicle Dr. Chabora’s professional and personal activities. Dr. Chabora’s research of Malcolm Frager’s life and performing career, as well as his work on Frager’s biography, are well represented in these papers.

Sub- series A: General Files

This sub-series is comprised of Dr. Chabora’s personal and professional papers, which were received by the Sibley Music Library arranged in file folders organized by subject heading. The original organization of the items in the collection has been preserved as much as possible, and the original headings have been preserved in the folder titles within the series. Many of the folders contain mixed formats (e.g., correspondence, press items, photographs, etc.). Where practicable, items in each folder have been grouped by format.

Sub- series B: Diary

This sub-series consists of facsimiles from Malcolm Frager’s personal diaries, accompanied by Dr. Chabora’s research notes on the material.

Sub- series C: Timeline

The folders in this grouping contain material central to Dr. Chabora’s reconstruction of Malcolm Frager’s professional activities. Prominent among the items represented are facsimiles of Malcolm Frager’s personal and professional correspondence, as well as press clippings and concert programs documenting Frager’s performance career.

Sub-series D: Ephemera

This sub-series includes loose items of various media: framed photographs, slides, and an oversized calendar documenting Malcolm Frager’s professional activities from 1944 until Frager’s death in 1991. The slide collection History of American Architecture (issued by Budek Films and Slides) and supplementary slides documenting prominent American architects (issued by Media for the Arts) represent Dr. Chabora’s life-long passion for architecture.
Series 2: Scholarly Publications

This series represents the major scholarly publications produced by Dr. Chabora, namely, his film project for Prairie Public Broadcasting (*Malcolm Frager: American Pianist*, 2016), liner notes for miscellaneous commercial recordings, and his posthumously-published biography of Malcolm Frager, *Search and Celebration: The Life and Art of Malcolm Frager* (Self-published, printed by CreateSpace, 2017).

Sub-series A: *Malcolm Frager: America’s Pianist* (Film Project)

N.B. *Malcolm Frager: America’s Pianist* was the working title for Dr. Chabora’s film project. The title of the film at its broadcast premiere in October 2016 was *Malcolm Frager: American Pianist*.

Sub-series B: Liner notes

Sub-series C: Malcolm Frager biography

Series 3: Audio-Visual Materials

This series comprises Dr. Chabora’s library of audio and audio-visual recordings. Over the course of his research on Malcolm Frager, Dr. Chabora amassed a near-comprehensive collection of Frager’s recorded performances, including not only commercially-issued recordings, but also radio broadcasts, recordings of rehearsals and masterclasses, and private recordings of rehearsals and practice sessions.

The bulk of this series consists of recordings of Malcolm Frager’s solo and chamber music performances, including commercially issued imprints as well as personal recordings and dubbed recordings of radio broadcasts. Also prominent in this series are audio and audio-visual recordings of interviews Robert Chabora performed with Malcolm Frager’s family, friends, and colleagues. The remaining items in this series are voice recordings by Malcolm Frager, commercial recordings by other musicians, recordings of tributes and memorials to Malcolm Frager, and recordings of Robert Chabora’s professional activities (i.e., performances as well as lectures on the life and music of Malcolm Frager).

Each format has been assigned to its own sub-series. Within each sub-series, the recordings are grouped by recording type (i.e., musical recording, voice recording, and other non-music recordings). With the exception of Sub-series E, sub-sub-series 3 (“The Frager Project” CDs), musical recordings are arranged into the following subgroups where applicable: (1) commercial recordings, ordered by contents (solo recordings by Malcolm Frager, chamber music recordings by Malcolm Frager, recordings by other musicians); (2) non-commercial, or personal, recordings, ordered by contents (solo recordings by Malcolm Frager, etc.). Within each subgroup, the recordings have been arranged alphabetically by the first work contained on the
recording. Voice recordings are arranged alphabetically by title or by name of the principal speaker (or interviewee).

Sub-series A: Reel-to-reel audio tapes

Sub-series B: Phonograph discs

Sub-sub-series 1: 12” LPs

Sub-sub-series 2: Other phonograph discs

Sub-series C: Cassette tapes

Sub-series D: Mini discs

Sub-series E: Compact discs (CD)

Sub-sub-series 1: Commercially-issued recordings

Sub-sub-series 2: Boston Symphony Orchestra archival recordings

Sub-sub-series 3: “The Frager Project” CDs

Dr. Chabora organized his collection of recordings of Malcolm Frager under the title “The Frager Project” and kept a detailed summary of its contents (see Box 5, Folder 19, for complete CD track list for “The Frager Project” CDs). The CDs in this sub-sub-series are dubbed recordings from other media, including commercial recordings, radio broadcasts, archival materials, and private recordings. They are arranged following Dr. Chabora’s numbering.

Sub-sub-series 4: Uncategorized personal CDs

Sub-sub-series 5: Voice recordings

Sub-series F: VHS tapes

Sub-series G: Digital video (DV) tapes

Sub-series H: Digital video discs (DVD)

Series 4: Digital storage devices

This series is comprised of digital storage devices housing documents and images pertaining to Dr. Chabora’s research on Malcolm Frager as well as drafts of his scholarly publications and presentations. Included in this series are zip discs, data CDs, USB flash drives,
and external hard drives, along with relevant computer hardware (i.e., zip drive, AC adapters, and USB cables).

**Series 5: Oversized Items**

This series has been created for the ease of filing and is comprised of documents that require special housing consideration on grounds of their oversized dimensions. The individual items and folder entries are annotated with respect to the series and sub-series numbers from which the given documents were separated.
