## **EASTMAN - ROCHESTER NEW HORIZONS MUSIC**

New Horizons began in Rochester NY at the Eastman School of Music in 1991 under the guidance of Roy Ernst, now Professor Emeritus, as a program for senior adults. Today, New Horizons is open to adults of all ages, including those who may be newly retired, empty nesters or seniors. New Horizons is a community of music-makers flourishing in a non-competitive, collaborative, and supportive environment. Beginners, advanced, or players changing to a new instrument, or refreshing skills on an old one ... all are welcome.

The Rochester program includes beginner, intermediate/advanced bands, jazz bands, full and string orchestras, a chorus, and several chamber ensembles. Members select the level at which they wish to participate by assessing their own capabilities. The program is funded through member tuition. Being in New Horizons is great fun and an easy way to make new friends. Get a real "insider" view of rehearsals and concerts by visiting our website at [www.rocnewhorizons.org](http://www.rocnewhorizons.org).

#### **PLAY IT FORWARD DONATIONS**

**Play It Forward (PIF)**, initiated in 2014 by New Horizons volunteers, provides tuition to Rochester City School students for private lessons at the Eastman Community Music School (ECMS), and to participate in the ECMS Adventure Music camp. Students attending the camp can deepen their music education over the summer and are encouraged to explore their creativity in both solo and ensemble settings. ECMS private lessons prepare students for competitive auditions for programs such as School of the Arts and the Eastman School of Music Pathways Scholarship Program which provide for continued and expanded musical study through 12th grade. If you would like to support Play It Forward, please send your tax-deductible donation to:

**Eastman Community Music School, New Horizons-Play It Forward  
26 Gibbs Street, Rochester, NY 14604**

#### **Audience Guidelines**

Out of respect for all the performers, we ask audience members to stay until the end of the recital. If an exception must be made (for example, small children may be unable to sit through a long program quietly), please enter and leave the hall only between performers. Please ensure that children are quiet and remain seated.
